

Heart Origami

Steps	Image
Step 1: Prepare a square paper	
Step 2: Fold the paper in half two times so you can form four rectangles as shown in the image	
Step 3: Fold down the upper rectangle unto the middle section at the back of the paper.	
Step 4: Make sure that the folded rectangle was in the upper side of the origami. Fold both the upper left and upper right edge diagonally, they should align vertically.	

<p>Step 5: Flip the paper to see the other side of the paper.</p>	
<p>Step 6: Fold the left and right edges to meet at the middle</p>	
<p>Step 7: Fold the lower left and lower right to meet and align vertically as shown in the picture</p>	
<p>Step 8: Rotate the paper from top to left. Then bring the right side of the origami to the left side as shown below.</p>	

<p>Step 9: Insert the right side inside the left pocket.</p>	
<p>Step 10: Flatten the pocket</p>	
<p>Step 11: Flatten the right side of the paper</p>	
<p>Step 12: Fold the upper right edge diagonally. Do this with the lower right edge of the paper.</p>	

Step 13: Fold the Upper right and lower right to the left a little,

This is the completed origami heart
